Hello Max! My dear friend!
 I'm glad to see your letter! How are you? What are you doing now?

I think it's impossible to get the robot now but if I am getting a robot now I will try to get him. All work at the home. I wash up the house. I take out the rubbish. Wash the windows and doors. By the way, I will trust him doing my homework of course!

I think also I sent him to the streets with my guitar. He must play on guitar and earn the money. I am very love science fiction films, because they are interesting and mysterious.

That's all! I will wait for your answer! Good luck!
 Your friend, Alex
