My name is Timofey Ivanov. Today I will describe some events that happened to me recently.

First of all, I want to describe my brother's birthday. It was such a glorious day! My brother was so happy and excited that day. Parents bought him many toys: LEGO, plastic soldiers, toys, cars.

At eleven o'clock we went to the cafe where other guests were waiting for us.

In the end of the day caterers staff-members took a big cake for us. My brother blew out all candles on it.

There also were my uncle's family. They went to the Kainingrat one month ago, by a trip. But they went back to Kamchatka and this is sad. Mom says that uncle has got a plan to stay at the Kainings in next summer, but I don't sure about it.

I was happy for my brother and excited when we met uncle.
It was really great day!

TS.

My favourite kind of music is rock. I like the group called "Imagine dragons". I listen to them since i was 10 years old. They plan to create pop music ~~to~~ their playlist. I like them because they have really good music. They are really popular. My favourite music from the group is "Demons". I hear this music for about 2-3 years and i don't regret it. I wanted to go on a concert of them, but they didn't come in my country.
